

Goat Milk Soap Making Class

June 22, 2024

Marian Wilson, Sweet Nibbles Farm

Cost if you'd like to use my supplies: \$16 each batch (700 g.) makes 6 four oz. bars.
DOES NOT include essential oil (fragrance)

Material List: (if you want to bring your own, this is what we'll be using.)

Olive Oil
Coconut Oil
Cocoa Butter
Mango Butter
Avocado Oil
Castor Oil
Goat Milk (frozen in cubes)
Sodium Hydroxide (lye)

Supplies:

2 - 16 oz. Sour cream containers
4 cup measuring cup
8 cup measuring cup
Spatulas 2 reg., 1 small
Immersion blender
Temperature Gun
Silicone mold (pkg. of 2 preferred in case you have extra soap and you can pour it over into the second one)
Small sheet pan (to place your mold on so you can transport it home)
Essential Oil (make sure it is PURE)
Safety Glasses

Note: Anything used with soap making has to be either #5 plastic, stainless steel, glass, or silicone.

I have colorants that everyone can use to color their soap if they like as well.
