New Business

We need to update our By Laws and Director Terms. We need to have Election terms and Membership terms starting at some time rather than months apart. This would make starting off a new year more organized. We will also need new officers at the beginning of the year as will be losing some officers. Need to remind members that the VP is in charge of helping with Committees. The By Laws need to be updated through out. The By Laws are on the Website. Please read them so that we can start updating before end of year.

Motion made to update By Laws to state that Officers and Directors terms are from January 1st to December 31 and change elections to October-November instead of first of year. Motion made by Lynn White seconded by Joe Austin. Motion passed to change dates in in By Laws to reflect changes for voting for new directors .
